This new, well-illustrated text describes in detail all aspects of wildland firefighting. Written in a clear, "how to" style by a seasoned fire officer, it provides a comprehensive explanation of all the skills a firefighter needs to operate effectively against any type of wildland blaze. Step-by-step photographs of actual operations make it easy for the student to understand the material; illustrations and graphs reinforce the learning process. This text leaves students with a complete understanding of the challenges

they will face - and with the skills and confidence to meet the challenges of being a wildland firefighter. (Keywords: Firefighting)
