

# Fatigue and Fracture Mechanics of High Risk Parts

[Fatigue and Fracture Mechanics of High Risk Parts 下载链接1](#)

著者:Farahmand, Bahram/ Bockrath, George/ Glassco, James

出版者:Kluwer Academic Pub

出版时间:1997-7

装帧:HRD

isbn:9780412129919

This book integrates an overview of fatigue and fracture mechanics and an introduction to the application of Fracture Mechanics of Ductile Metals theory (which allows for determining material fracture toughness without laboratory testing). Written specifically for the practicing engineer, the book includes real-life examples while avoiding extensive mathematical problems.
