

# Doctor Dolittle's Delusion

[Doctor Dolittle's Delusion\\_ 下载链接1](#)

著者:Stephen R Anderson

出版者:Yale University Press

出版时间:2006-5-5

装帧:Paperback

isbn:9780300115253

Dr. Dolittle had it wrong, says the author of this fascinating book: animals cannot use language. Stephen Anderson explains the difference between communication and language and shows that animals do not have the cognitive capacities necessary to acquire language.

"A masterly overview of what is currently known about the communicative abilities of a wide range of creatures. . . . Anderson's synthesis provides illuminating comparisons with the infinitely more sophisticated resources of the human language. . . . An elegant book."--Neil Smith, "Nature

"

"Well-written, well-argued, and provocative. . . . I enjoyed this book and recommend it to anyone interested in animal communication and the evolution of language."--Marc Bekoff, "Quarterly Review of Biology"
