出版者:University Of Chicago Press

出版时间:1987-5-15

装帧:Paperback

isbn:9780226767161

Primate Societies is a synthesis of the most current information on primate socioecology and its theoretical and empirical significance, spanning the disciplines of behavioral biology, ecology, anthropology, and psychology. It is a very rich source of ideas about other taxa. "A superb synthesis of knowledge about the social lives of non-human primates."--Alan Dixon, Nature
