

A First Course in Real Analysis

[A First Course in Real Analysis_下载链接1_](#)

著者:Murray H. Protter

出版者:Springer Verlag

出版时间:1991-8-1

装帧:HRD

isbn:9780387974378

Many changes have been made in this second edition of A First Course in Real Analysis. The most noticeable is the addition of many problems and the inclusion of answers to most of the odd-numbered exercises. The book's readability has also been improved by the further clarification of many of the proofs, additional explanatory remarks, and clearer notation.
