Differential Geometry, Gauge Theories, and Gravity

Differential Geometry, Gauge Theories, and Gravity_下载链接1_

著者:Gockeler, M./ Schucker, T.

出版者:Cambridge Univ Pr

出版时间:1989-7

装帧:Pap

isbn:9780521378215

Cambridge University Press is committed to keeping scholarly work in print for as long as possible. A short print-run of this academic paperback has been produced using digital technology. This technology has enabled Cambridge to keep the book in print for specialists and students when traditional methods of reprinting would not have been feasible. While the new digital cover differs from the original, the text content is identical to that of previous printings.
