

The Theory of the Moire Phenomenon

[The Theory of the Moire Phenomenon_ 下载链接1](#)

著者:Amidror, Isaac

出版者:Springer Verlag

出版时间:2007-1

装帧:HRD

isbn:9781402054570

This book presents for the first time the theory of the moire phenomenon between aperiodic or random layers. The book provides a full general purpose and application-independent exposition of the subject. Throughout the whole text the book favours a pictorial, intuitive approach which is supported by mathematics, and the discussion is accompanied by a large number of figures and illustrative examples.
