For a professor at Corndog University it's quite acceptable to purchase a robotic dopplegnger and have it teach your classes for you. But how does it reflect on your teaching skills when your dopplegnger murders the whole class? Follow the Dystopian Duo (Dr. Blah Blah Blah and his robot Dr. Identity) on a killing spree of epic proportions through the irreal postapocalyptic city of Bliptown where time ticks sideways, artificial Bug-Eyed Monsters punish citizens for consumer-capitalist lethargy, and ultraviolence is as essential as a daily multivitamin.
