装帧:Pap

isbn:9780886779047

The first book in Julie Czerneda's acclaimed Web Shifters series made the Nebula preliminary nomination list in 1998. Changing Vision continues the story of Esen, the last survivor of an alien race with the ability to assume the form of any creature. Now Esen must break her species' rule of noninterference -- to keep interspecies tension from escalating into all-out war....
