Here is the first book in the blockbuster trilogy that chronicles the never-before-told story of the young Han Solo. Set before the Star Wars movie adventures, these books chronicle the coming-of-age of the galaxy's most famous con man, smuggler, and thief.

The first book in this exciting new Han Solo series begins with a recounting of Han's late teen years and shows us how he escaped an unhappy adopted home situation to carve out an adventurous new life for himself as a pilot. Han Solo, the handsome rogue, is every girl's dream man, and every boy's hero. The Paradise Snare is another stellar Star Wars production, complete with original music and sound effect
