A young female doctor discovers the startling truth of her origins in this unique and gripping sci-fi medical thriller...Dr. Cherijo Grey Veil leaves Earth and accepts a position as a physician at Kevarzanga-2's Free Clinic. Her surgical skills are desperately needed on a hostile frontier world with a over 200 sentient species -- and her understanding of alien physiology is nothing short of miraculous. But the truth behind her expertise is a secret which, if discovered, could have disastrous consequences between human and alien relations...
