When a submarine is mysteriously downed in the Persian Gulf, CIA tactician Douglas Griffin is reactivated into his former SEAL team to investigate. Simultaneously, a string of mystifying attacks pits the U.S. Navy against the underwater Kingdom of Atlantis in a

full-blown war against humanity's extinction. With the threat of global devastation imminent, twisting realities lead the SEALs from Atlantis' 5000 fathoms to the even deeper political waters of our government in this Spy-Fi action thriller!
