Combat, betrayal, and murder at the edge of human space . . . Deployed to assist the oligarchs of Wanderjahr in putting down a rebellion that threatens the planet's political and economic stability, the Marines must fight two wars at the same time . . . one against the resourceful, well-led guerrillas and another with the entrenched police bureaucracy. But who is the real enemy and who can be trusted? On Wanderjahr, nothing is as it seems -- not even the animal life -- and everyone has his own agenda. Inexorably, the Marines of the 34th FIST are drawn deeper and deeper into the politics of a world where murder, terror, and betrayal are the accepted methods of government . . . and everyone is ripe for an old-fashioned butt-kickin'.
