After the Huntress, a vigilante with extreme methods, finally earns the approval of Batman, a mafia capo is suddenly discovered murdered by a crossbow, her weapon of choice. Now as Helena Bertinelli, aided by the mysterious Question, attempts to evade Batman and his allies, she must also prove her innocence and determine who is trying to frame her. Through this adventure we discover how watching her father, a powerful mafia leader, and the rest of her family be murdered, transformed this innocent Catholic girl into a nocturnal figure of vengeance.

评论

"it started in sicily..."

故事发生在无主之地不久之后，女猎被人陷害。算是很棒的起源故事，Rucka笔下总能写出让人倾心的DC女性，没想到还引用了庄周梦蝶的典故，然而Helena和Vic都是蝶

Once there was a little girl who learned to
hate...Huntress和Question的结局好遗憾……最终还是分道扬镳了……
