Master Storyteller is a richly informative and colorful tour of L. Ron Hubbard's

extraordinary career as a popular fiction author. This comprehensive chronology of his work is replete with factual and detailed information about his novels and stories and the brilliant art they inspired. It is filled with high quality reproductions ranging from the original covers and inside illustrations by the great artists of the pulp fiction magazines of the '30s, '40s and early '50s to the contemporary fantasy and science fiction created by modern masters of the field. Master Storyteller will draw you back again and again to explore the literary and visual landmarks of the life of a great writer whose works continue to entertain generations of readers of popular fiction.
