Written by Alan Moore; Art by Stephen Bissette and John Totleben Created out of the Swamp by a freak accident, Swamp Thing is an elemental creature who uses the forces of nature and wisdom of the plant kingdom to fight the polluted world's self-destruction. Inspired by the creation of writer Len Wein and artist Berni Wrightson, Alan Moore took the Swamp Thing to new heights in the 1980s with his unique narrative approach. His provocative and groundbreaking writing, combined with masterly artwork by some of the medium's top artists, made SWAMP THING one of the great comics of the late twentieth century. This volume includes Moore's first seven issues, SAGA OF THE SWAMP THING #21-27.
