I'm afraid of getting again. "When I look in the mirror, I'm never quite satisfied." "I can't stand criticism." "I'm always feeling tense and rushed." "I wish I could be happier." Do any of these sound familiar? Aren't they exactly the kinds of weaknesses that keep us from enjoying our lives to the fullest? This wise and compassionate book can help you confront these problems, perhaps for the first time in your life. Through a series of exercises, case studies, and personal growth techniques, you'll learn to analyze your weakness and, most importantly, strip it of the power it has over you. Making Peace with Yourself is one of life's toughest challenges, but the rewards will be tremendous.
