Soul Search Before You Job Search offers a straight-forward, tangible way to explore your life purpose and discover the major themes that you need to have present in order to be happy and fulfilled in your work. It combines these themes with your values and preferences around money, commute, benefits and culture to form a deep and practical metric you can use to measure any job or career opportunity out in the world. The simple, practical techniques held in this book will free you from the pressures of personality tests, psychological evaluations and skills assessments, so you can listen to your heart and discover exactly what works for you and only you - right here and now - regardless of what the word "job" might mean to you. From this place, you will have a solid foundation for heading into any job search, advance career guidance or major life change.
