Brilliant, life-changing, beautiful, Living Artfully will instruct and inspire readers to liberate their creativity and transform their daily existence into the life of their dreams. To Magsamen, art is communication; and Living Artfully is connecting with each other in creative ways, through everyday things and moments. In this new book she explains

how, where, and when readers can use their own creative language - the images, words, sounds, foods, or crafts through which they most easily express themselves - to connect more deeply and joyfully with the important people in their lives. With original art throughout, it also reveals Magsamen's own dynamic process of creativity. With inspiring stories of caring gestures, simple gifts, and unexpected efforts that make a difference, Living Artfully initially invites and encourages readers to begin a personal renaissance. Then, it presents a wealth of ideas that will jumpstart every imagination and unleash long-dormant - or even undiscovered - talents. Not a how-to book but a why-to - uplifting, motivational, and fun - Living Artfully is also the guide into a new cultural movement in which people live with a creative purpose - celebrating the people and moments that make life meaningful.
