出版时间:2004-04

装帧:Paperback

isbn:9788497770804

The authors of this Science of Mind classic sum up its contents as "the things in your life and the thoughts that are behind them." Readers will discover the key to living a life of inner peace. For, in the words of the authors, "Every thought has a consequence, and every experience has a causative thought behind it. Thoughts are things, and all the things in one's life have a thought that precedes them."
