isbn:9780071446815

This title is suitable for families with a seriously ill parent. It provides advice on helping your children cope from two leading Harvard psychiatrists. Based on a Massachusetts General Hospital program, "Raising an Emotionally Healthy Child When a Parent is Sick" covers how you can address children's concerns when a parent is seriously ill, how to determine how children with different temperaments are really feeling and how to draw them out, ways to ensure the child's financial and emotional security and reassure the child that he or she will be taken care of.
