Do you want to stop worrying about money and start having more fun? Do you wish you had more time to spend with family and friends? Do you want to live the life you always envisioned? Then it's time for your Power Years. "The Power Years" is your step-by-step guide to repowerment and personal reinvention after forty. In this unique guidebook, world-renowned psychologist and leading authority on aging Ken Dychtwald and award-winning journalist Daniel J. Kadlec combine their decades of cutting-edge research and reporting to reveal how you can make the Power Years the best years of your life-by far. As we baby boomers move into the next stage of life, we now have the opportunity to experience a mold-shattering period of reinvention and personal growth, career liberation, nourishing relationships, and financial freedom. "The Power Years" helps us envision and embrace this new chapter of life as we develop a carefully thought-out plan for personal fulfillment. Sharing the inspiring stories of fascinating people as well as plenty of prescriptive advice, the authors reveal how you can: rediscover your life's purpose; find a new balance between satisfying work and enjoyable leisure; thrive in the home and location of your dreams; rekindle long-held passions and/or find new interests; rediscover and forge vital relationships; keep your financial life running smoothly; contribute to society and leave a lasting

legacy; and, have fun again! From staying connected with your kids, family, and friends to going back to school for the fun and challenge of it, from finding new companions to volunteering, from exploring a new career to traveling the world, "The Power Years" is your complete road map to living your best possible life-right now. "The Power Years" is a complete road map to living the best possible life-right now.' My life keeps getting better, not just because I've enjoyed success in the business world, but because I wake up every day with a passion for what I do. You can - and should - discover that feeling too. Let Dychtwald and Kadlec show you how. They've written a crisp, actionable guide to a great rest of your life' - Donald J. Trump, Chairman of Trump Enterprises and author of "Trump: Think Like a Billionaire: Everything You Need to Know About Success, Real Estate, and Life". "The Power Years", brimming with insights culled from decades of leading-edge research, turns conventional notions of retirement upside down. This upbeat, thoroughly enjoyable book will help you both envision and fund your dreams. Truly, it's a 'user's guide to the rest of your life' - Jane Bryant Quinn, author of "Making the Most of Your Money". 'Are you going to live longer - or will it just feel like it? "The Power Years" is a wonderful guidebook that helps us realize our potential by redefining our expectations as we mature and grow more powerful. An exceptional resource for anyone ready for a new view of their coming decades' - Mehmet C. Oz, M.D., Professor of Surgery at Columbia University and author of "You: The Owner's Manual: An Insider's Guide to the Body that Will Make You Healthier and Younger". 'For anyone beginning the second half of life, "The Power Years" will psyche you up for the great adventure ahead' - Po Bronson, author of "What Should I Do With My Life?". 'In the field of 'middlescence', as he calls it, Ken Dychtwald is the master. I count on his brilliance, his pioneering ideas, his courage, and his optimism and we would all be poorer without him. I recommend "The Power Years" without reservation. It is a must read' - Richard N. Bolles, author of "What Color is Your Parachute?". 'I have been learning from Ken Dychtwald for years and am convinced that he is today's most original thinker on this important subject' - President Jimmy Carter. 'While powerful and complex currents of demographic change are sweeping the globe, little has been said about what the post-World War II generation wants from later life. In "The Power Years", Dychtwald and Kadlec provide a well-informed and optimistic roadmap for how this new chapter of life need not be a period of retreat and decline, but instead holds the potential for becoming a time of renewal and personal reinvention' - Sir John Bond, Chairman of HSBC Holdings plc. 'If you want to make your future years the best years ever - to feel ageless and experience a dynamic, purposeful, joyful, and full life - read "The Power Years"' - Mark Victor Hansen, co-creator of the Number 1 "New York Times" bestselling "Chicken Soup for the Soul" series and coauthor of "The One Minute Millionaire". Ken Dychtwald and Daniel J. Kadlec have written a fantastic book filled with compelling data and anecdotes that show that the so-called declining years are anything but. "The Power Years" helped rid me of much of my worry about what lies ahead and gave me specific, solid ideas for how to make the next 50 years top the first 50 for financial success, career satisfaction, and overall fun' - James J. Cramer, author of "Jim Cramer's Real Money: Sane Investing in an Insane World", CNBC commentator, and cofounder of TheStreet.com.
