The book is not a guide through the stages of grief, but instead it acts as a place of

refuge for your memories and emotions. It is a space where you are invited to discover solace through the experiences and feelings of others--"simple and profound. A collection of quotations, poems, ancient proverbs and stories from the likes of Winston Churchill, Madeleine L'Engle, and Jonathon Lazear himself, this books acts as a companion to our grief whenever and wherever you might need it.
