It is your right to be rich. You are here to lead the abundant life, and to be happy, radiant, and free. You should, therefore, have all the money you need to lead a full, happy, prosperous life. There is no virtue in poverty; the latter is a mental disease, and it should be abolished from the face of the earth. You are here to grow, expand, and unfold - spiritually, mentally, and materially. You have the inalienable right to fully develop and express yourself along all lines. You should surround yourself with beauty and luxury.
