That voice inside your head is saying you were meant to be more. You have successes, but something's missing. You want a clearer picture of where your whole life is moving so you can make the difference you're here to make. Following that voice took author Bobbi DePorter from feeling like she was missing something to a sense of deep fulfilment -- and from flat broke to an international success. DePorter has identified eight key catalysts that enable you to create the framework of excellence for knowing your inner vision, to stick with your commitment to carry it into the world, and to fully live your quantum success. The tools, strategies, and stories in this book will speed your life in your unique direction and create the energy shift and enhanced results you desire.
