Cheryl Caldwell pairs lively humorous illustrations and satirical humour with to-the-point observations on life to ensure readers maintain a laughing perspective: "I may not know karate, but I know crazy." What if the hokey pokey really is what it's all about?" It has been lovely but I have to scream now." FOLLOW YOUR DREAMS offers a refreshingly simple and to-the-point perspective on living with no restraints and not taking life too seriously-the ultimate principle for everyone, whether a punk-rock teenager or a paper-pushing thirty-something.
