Dogs know how to relax.

They forgive and forget.

And they scratch where it itches.

They really know how to live...

Every dog lover knows that man's best friend is sincere and loyal and knows how to have fun-and that dogs are wonderful creatures who have no difficulty showing their love openly.

Dogs Don't Bite When a Growl Will Do is an insightful, engaging, and witty guide to the collective wisdom of man's constant companions-and illustrates the human benefits of becoming a little more canine.
