Mom's Work Is Never Done Whether you work full time or part time, in an office or from your home, or are a stay-at-home moms Chicken Soup for the Working Mom's Soul is for you. The stories found in this heartwarming book are from women who, day in and day out, juggle and balance their careers and their families. Whether it's a busy day at the office, followed by music lessons and baseball practice, preparing dinner, or helping with homework, then snuggling and tucking in the little ones, life for a working mom is a busy one. But it is also an enriching and rewarding life, and the stories shared in this book by working moms will show you that it's not important to be 'Super Mom' all the time, just some of the time
