An updated and expanded edition of the classic career book from a pioneer in the personal-coaching field.

If you're looking for job search advice, this book is not for you. If you want to know about writing a resume, creating a cover letter, honing interview skills, or dressing for success, you're in the wrong place. But if you're willing to take charge of your career like never before, if you're prepared to be responsible for the choices you make and have the guts to ask for what you really want, then get ready to take yourself to the top.

In this updated and expanded edition of Laura Berman Fortgang's exemplary business/self-help book, readers will learn:

- how to leap out of that mid-career rut
- how to completely and honestly assess your career's progress
- how to identify obstacles that keep you from reaching your goals
- how to turn your back on what many people might call "success" to discover your true life calling

一本书有95%都是故事，故事用来印证观点，这本身没有问题，但是故事有多么的长，多么的冗余，就知道这本书有多么的浪费时间了。
