Dr Wayne W. Dyer has put together this little book in order to convey the fact that

intention is a field of energy that flows invisibly beyond the reach of our normal, everyday habitual patterns. It's a force that we all have within us, and we have the power to draw it into our lives by being the energy we want to attract. Use the uplifting material within these pages to bring the power of intention into your life for many years to come, and experience the world in a new and exciting way!
