出版时间:2006-9

装帧:平装

isbn:9781586484545

In the summer of 1999, in the tiny west Texas town of Tulia, thirty-nine people, almost all of them black, were arrested and charged with dealing powdered cocaine. The operation, a federally-funded investigation performed in cooperation with the local authorities, was based on the work of one notoriously unreliable undercover officer, Tom Coleman. Despite the flimsiness of the evidence against them, virtually all of the defendants were convicted and given sentences as high as ninety-nine years. Tulia is the story of this town, the bust, the trials, and the heroic legal battle that ultimately led to the reversal of the convictions in the summer of 2003. But the story is much bigger than that; Tulia makes clear, these events are the latest chapter in a story with themes as old as the country itself. This paperback edition includes a new section of interviews and discussion material for reading groups.
