Though the word "sociology" was coined in Europe, the field of sociology grew most dramatically in America. Despite that disproportionate influence, American sociology has never been the subject of an extended historical examination. To remedy that situation--and to celebrate the centennial of the American Sociological Association--Craig Calhoun assembled a team of leading sociologists to produce "Sociology in America".

"Rather than a story of great sociologists or departments, "Sociology in America" is a true history of an often disparate field--and a deeply considered look at the ways sociology developed intellectually and institutionally. It explores the growth of American sociology as it addressed changes and challenges throughout the twentieth century, covering topics ranging from the discipline's intellectual roots to understandings (and misunderstandings) of race and gender to the impact of the Depression and the 1960s.

"Sociology in America" will stand as the definitive treatment of the contribution of twentieth-century American sociology and will be required reading for all sociologists. Contributors: Andrew Abbott, Daniel Breslau, Craig Calhoun, Charles Camic, Miguel A. Centeno, Patricia Hill Collins, Marjorie L. DeVault, Myra Marx Ferree, Neil Gross, Lorine A. Hughes, Michael D. Kennedy, Shamus Khan, Barbara Laslett, Patricia Lengermann, Doug McAdam, Shauna A. Morimoto, Aldon Morris, Gillian Niebrugge, Alton Phillips, James F. Short Jr., Alan Sica, James T. Sparrow, George Steinmetz, Stephen Turner, Jonathan VanAntwerpen, Immanuel Wallerstein, Pamela Barnhouse Walters, Howard Winant

作者介绍:

Craig Calhoun is president of the Social Science Research Council and professor of sociology and history at New York University. He is the editor or coeditor of several volumes and author of *Nationalism and Neither Gods nor Emperors*.
