出版者:Random House Inc

出版时间:1989-5

装帧:Pap

isbn:9780385242448

In this solidly researched book, the authors demonstrate that the knowledge and techniques exist to decrease the incidence of welfare dependency, poor-single parent families, and alienated, uneducated youth. Within Our Reach provides a detailed account of the problem, and describes 24 programs that have proved successful in changing the lives of seriously disadvantaged children.
