

Historical Themes and Identity

[Historical Themes and Identity](#) [下载链接1](#)

著者:Lopez., By

出版者:Routledge

出版时间:1995-1

装帧:HRD

isbn:9780815317692

The first part of this volume traces some of the historical themes of Latino peoples. Articles about Spanish colonization, the Mexican American War, the Cuban revolution, and the Puerto Rican situation appear in chronological order. The volume also explores questions of ethnicity and identity, focusing on historical, political, and social reasons for selecting a self-identifying label.
