[Introducing Social Networks\\_ 下载链接1](#)

著者:Degenne, Alain/ Forse, Michel

出版者:Sage Pubns

出版时间:1999-8

装帧:Pap

isbn:9780761956044

This first-rate introduction to the study of social networks combines a hands-on manual with an up-to-date review of the latest research and techniques. The authors provide a thorough grounding in the application of the methods of social network analysis. They offer an understanding of the theory of social structures in which social network analysis is grounded, a summary of the concepts needed for dealing with more advanced techniques, and guides for using the primary computer software packages for social network analysis.
