As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's *Prolife Answers to Prochoice Arguments* have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a "sanctity of life" perspective. Real answers to real questions appear in logical and concise form. The final chapter- "Fifty Ways to Help Unborn Babies and Their Mothers"- is worth the price of this book alone!
