著者:McLaughlin, Janice

出版者:Palgrave Macmillan

出版时间:2003-12

装帧:Pap

isbn:9780333968116

This text introduces students to both feminism and other social and political theories via an examination of the inter-relationship between different feminist positions and key contemporary debates. The book takes each debate in turn, outlines the main themes, discusses different feminist responses and evaluates the implications for real life political and social issues. This user-friendly structure effectively redraws the map of contemporary feminist thought, offering a summary of an extensive range of material and graphically demonstrating the ongoing relevance and value of a feminist perspective.
