In Stepdads: Stories of Love, Hope, and Repair, William Marsiglio addresses provocative and timely questions facing stepfathers, single mothers, and remarried couples today. Drawing on revealing in-depth interviews, Marsiglio explores how stepfathers and their partners with minor children of all ages make sense of their feelings and circumstances while managing the challenges of their unconventional families. He outlines individual, social, and legal strategies to enhance stepfathers,' mothers,' and children's lives.
