isbn:9780415344050

An essential A-Z guide to the full range of sociological thought, "Sociologists: The Key Concepts" is an important addition to the established and successful "Key Guides" series. Fully cross-referenced with an extensive glossary, this accessible text also includes: alphabetical listings of key concepts for ease of use; suggestions for further reading to enhance understanding of areas covered; and entries on 'traditionalism' 'race and racialization' and 'modernity'. Bringing together an international range of highly regarded contributors from the full spectrum of disciplines, this useful reference guide is the ideal resource for those studying or interested in this popular area.
