出版者:Sage Pubns

出版时间:2003-7

装帧:Pap

isbn:9780761928287

This book surveys female juvenile delinquency, an important topic often receiving minimal attention in books on women and crime. The authors of articles represent some of the leading scholars in the field - Claire Renzetti, Frank Cullen, and, of course, Meda Chesney-Lind. This reader accompanies "The Female Offender".
