isbn:9781557667533

This groundbreaking text advances a critical element of empowerment for people with

disabilities: inclusive, competitive, and meaningful employment opportunities. The only comprehensive resource on this topic, *Real Work for Real Pay* is an authoritative collection of current best practices, employment theories and policies, and specific tools that support positive change in the workplace. Readers will get the most thorough, up-to-date information on every aspect of inclusive employment. With contributions by more than twenty authorities?including vocational rehabilitation specialists, disability rights experts, business consultants, and researchers?this is an essential text for students in upper-level courses and a must-have reference for inservice supervisors and managers.
