Ever feel like you're being kept in the dark? Do you feel like the facts and history you rely on might not be the truth, the whole truth and nothing but? Just in time for 2004's Christmas parties and other holiday get-togethers, Russ Kick delivers a second round of stunning information, forgotten facts and hidden history. The first volume was the gift to give and get for the holiday season of 2003; surprising, shocking and controversial, the "things" in "Volume 2" will make 2004's holiday parties sizzle with debate over Kick's revelations-all thoroughly researched and documented. Sized for quick reference, filled with facts, illustrations, and graphic evidence of lies and misrepresentations, "50 Things You're Not Supposed to Know-Volume 2" presents the vital, often omitted details on human health hazards, government lies, and secret history and warfare excised from your schoolbooks and nightly news reports. Russ Kick

and The Disinformation Company have published five successful books together since 2001. Each one has become a bestseller, establishing Russ as the leader in gathering and disseminating the hidden history, forgotten facts, secret stories and covert cover-ups that "they" don't want you to know. Russ Kick is the editor of "Abuse Your Illusions: The Disinformation Guide to Media Mirages and Establishment Lies"; "Everything You Know Is Wrong: The Disinformation Guide to Secrets and Lies"; and "You Are Being Lied To: The Disinformation Guide to Media Distortion, Historical Whitewashes and Cultural Myths." He is the author of "50 Things You're Not Supposed To Know" and "The Disinformation Book of Lists."
