The third volume of the annotated bibliography on Carpath-Rusyn studies contains over 800 entries in a wide range of disciplines: archeology; art and architecture;

bibliography; biography; church history; economics; ethnography; geography; history; language; literature; and politics among others. Each entry provides full bibliographic data followed by a succinct content analysis of the book, journal article, or book chapter in question. The bibliography includes all publications that appeared between 1995 and 1999, regardless of language or place of publication. Appended are several statistical charts and a comprehensive index of authors and subjects.
