Personal shopping advice from every woman's favorite image consultant, Brenda Kinsel. Famous for talking about things that people think about but don't always say

out loud, Brenda Kinsel tackles underwear, the booty, and the nightmare of shopping with kids (please pass the Valium) -- all while helping women make sense out of the vast imponderable that is the world of fashion. With gentle understanding, she helps every woman develop a healthier relationship with herself by taking a lighter look at hang-ups, and a deeper look at the fashion traps that are out there ready to grab the unsuspecting consumer.
