著者:David A. Locher

出版者:Pearson

出版时间:2001-10-7

装帧:Paperback

isbn:9780130886682

For Junior/Senior level courses in Collective Behavior. Employing a relaxed, readable writing style, David Locher illustrates all the major sociological perspectives and

theories of collective behavior and classical social movements. The text provides a comprehensive, yet concise and balanced examination of the field and provides recent examples that encourage students to evaluate different perspectives and think for themselves.
