## COURTING DISASTER

THE SUPREME COURT AND  
THE UNMAKING OF AMERICAN LAW

"Garbus' brilliant book argues that the ideological lock put on our federal court system . . . constitutes a clear and present danger. This work ought to be read by every voter in the country." — E.L. Doctorow

MARTIN GARBUS

著者:Dunn, Jennifer L.

出版者:Transaction Pub

出版时间:2007-12

装帧:Pap

isbn:9780202306629

In this first book on the subject by a sociologist, Dunn offers a wide-ranging, thought-provoking, and sensitive examination of the lived experience of intimate stalking victimization. In exploring the ways in which we socially construct and confer meaning upon intimate violence, the author draws upon interviews with stalkers and victims, courtroom testimony, analyses of case reports, and an independent survey instrument that reveals ambivalence of the prevailing culture to the problem. *Courting Disaster* will be valuable in women's studies and counseling courses and a useful text in sociology and criminology.
