Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About Love: New Visions*. Here she continues her love song to the nation in the groundbreaking and soul-stirring *Salvation: Black People and Love*. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of our most revered artists and leaders, the liberation movements of the 1950s, '60s, and '70s, or hip-hop and gangsta rap culture, hooks lets us know what love's got to do with it. *Salvation* is work that helps us heal -- and shows us how to create beloved American communities.
