isbn:9780631211204

This extensive review of urban policy explores the interaction of urban policy with changing perspectives on urban life and social welfare.

An extensive review of urban policy since the 1960s.

Examines a broad range of issues, such as race, economic regeneration and competitiveness, managing dangerous places, community and managerialism.

The theme-based structure provides a new and innovative approach to the subject.

Written in a clear, accessible style with pedagogic features to appeal to students from a range of disciplines.
