Book Description There is a long and sacred tradition of women inspiring other women—in overcoming seemingly impossible difficulties, in following dreams into uncharted territory, in rising to great heights of achievement, in finding spiritual and creative fulfillment. Everything I Need to Know I Learned from Other Women is a collection of short stories, personal anecdotes, inspirational quotes, and comic one-liners, all celebrating what women learn from one another. Author B. J. Gallagher also shares stories about the many women who have taught her—from grandmothers to politicians to shopkeepers. Topics include friendship, love, sex, motherhood, body image, and happiness.
