teaching text analyzes Bauman's shift from a sociology of postmodernity to liquid modernity, and provides a critical assessment of the contemporary Bauman, appraising his novel theory of liquid modernity in terms of its implications for self-identity, interpersonal relationships, culture, communications, and the broad-ranging institutional transformations associated with globalization. In addition to various extracts from Bauman's work, the book also contains a spirited reply from Zygmunt Bauman to both his sympathetic and unsympathetic critics. Bauman concludes by providing a new perspectives on his theory of liquid modernity, its differentiation from the modernity/postmodernity debate and its relation to current developments in contemporary social theory.
